

Innovative outdoor sport and play projects

About Us

Formed by Directors with over 25 years' experience in Outdoor Sport and Play Projects, Commercial Play Ltd can offer a complete 'one-stop shop' range of outdoor solutions from compact nursery gardens, through to primary and secondary schools, council parks and public play areas. We can look at ways to save money, maximise budgets and create wonderful inspiring solutions from new build areas to worn out school playgrounds.

With FREE no obligation site visits, designs and consultations we are here to work with you on your new project.

We look forward to hearing from you.

Bespoke Open Gazebo with coloured Polycarbonate

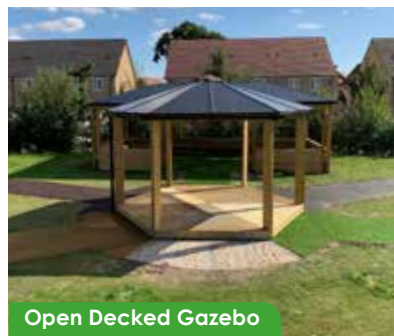

Our standard or bespoke timber structures are perfect for a range of uses and applications. Customise your structure from options including: timber or polycarbonate roof coverings, partially or fully enclosed sides, windows and doors, decking or artificial grass interiors and seating. We create safe, beautiful sheltered outdoor areas for all ages groups and needs.

Multi Use Games Area

Commercial Play Ltd can offer a complete range of sports solutions, from re-line marking tarmac sports courts on playgrounds to complete new multi use games areas for all sizes and budgets. We can offer a wide range of surfacing options including: artificial grass, tarmac, polymeric and wetpour rubber. We'll carry out groundworks to provide drainage and fencing and offer a complete 'one-stop shop' for any project.

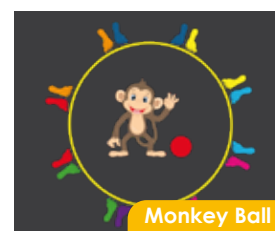

We create bespoke long jumps, with covers and added safety features, as well as outdoor gym areas and daily mile tracks (in a range of surfaces). We can design, build and project-manage for a wide range of applications.
